PROFILE

Transformation and business-management leader who has **delivered AI into operations** and run the governance around it. At Citi, defined the AI tooling roadmap, **built and shipped** the AI tool, drove adoption and measured the benefit (~35% faster review cycles), and wrote the governance framework it ran under. Former JPMorgan Chase **Program Manager in the Commercial & Investment Bank** and first-line **Risk Control Manager** who acted as **business liaison between the business managers and the control functions**: ran governance forums and operating rhythms, milestones, dependencies, risks and executive reporting across **50+ stakeholders** in Front Office, Operations, Finance, Legal and Technology, and took a **\$180M** capital recommendation to the CFO as a decision paper. Simplifies complex topics for senior audiences and drives the decision. MBA in Financial Mathematics.

EXPERIENCE

Vice President, Audit Manager — Citi Jul 2021 – Apr 2026

Internal Audit, Cross-Enterprise Program & Change Management | New York, NY

- **Led AI transformation for the function**: defined the AI tooling roadmap (use-case intake, prioritisation, success metrics), built and shipped a retrieval-augmented AI assistant (Python, LangChain), drove adoption with its users and measured value delivered (~35% faster reviews).
- **Governance and executive communications**: wrote the AI governance framework; delivered executive and Board Audit Committee readouts on progress, risks, issues and decisions required.
- **Workforce of the future**: coached 8+ auditors on AI tools and responsible use; led a cross-enterprise remediation program across 15+ business units with closure evidence accepted by regulators.

Risk Control Manager, Treasury & CIO — JPMorgan Chase Mar 2019 – Jun 2021

First-Line Controls, Business Liaison & Resolution and Recovery Planning | Jersey City, NJ

- **Business liaison and governance**: partnered with business managers to identify business risks and drive mitigating controls; ran the operating cadence for audit, regulatory and compliance deliverables and action tracking.
- **Program delivery**: ran Resolution & Recovery Planning across 50+ stakeholders in five functions, none reporting to him — milestones, dependencies, risk and issue escalation, executive readouts and Federal Reserve and FDIC submissions on statutory deadlines.
- Led CCAR forecast validation over a **\$2.6T** balance sheet with Finance; automated reconciliations to cut manual review ~40%.

Capital Controller, Basel Measurement & Analytics — JPMorgan Chase Sep 2017 – Feb 2019

Brooklyn, NY

Owned Basel III RWA and capital-adequacy reporting across a **\$50B** book of equities, fixed income and derivatives; analysis surfaced **\$180M** in capital optimisation for CFO decision support.

Program Manager, CIB Resolution & Recovery Planning — JPMorgan Chase 2015 – 2017

Commercial & Investment Bank

Planned and managed CIB's resolution-planning program as liaison between the business, Legal, Finance and Operations: work-stream plans, deliverables, stakeholder communications and executive updates.

Assistant Vice President, Global Legal Entity Management — Citi 2012 – 2015

Office of the Chief Accounting Officer, Tampa, FL • earlier: Bank Examiner, Florida Office of Financial Regulation (2011–12); Senior Business Analyst, Royal Bank of Scotland, Dubai (2008–09)
