PROFILE

Audit and regulatory-exam leader who has run engagements from **both sides of the table**. As a **bank examiner** for the Florida Office of Financial Regulation, prepared information requests and tested bank responses alongside the FDIC and the Federal Reserve; as a **Vice President in Citi Internal Audit**, led audits across 15+ business units and drove consent-order remediation to closure with evidence accepted by regulators. Returned JPMorgan Chase employee (Program Manager, Capital Controller, Risk Control Manager) who coordinated **50+ stakeholders** into Federal Reserve and FDIC submissions against statutory deadlines. Knows what an examiner will ask next, what evidence will hold, and how to **challenge a weak response before it is submitted**.

SELECTED RESULTS

15+	Business units taken through audit findings and consent-order remediation, tracked to closure with evidence accepted by quality assurance and regulators	Citi
50+	Stakeholders across Legal, Treasury, Technology and Operations coordinated into regulator submissions with executive approvals, to statutory deadlines	JPMorgan Chase
~40%	Less manual review after automating control reconciliations; cleaner, auditable evidence at the source	JPMorgan Chase
~35%	Faster review from an AI tool he built to check evidence and workpapers against standards, with human validation	Citi

EXPERIENCE

Vice President, Audit Manager — Citi

Jul 2021 – Apr 2026

Internal Audit, Cross-Enterprise Program & Change Management | New York, NY

- **Led end-to-end audits** across 15+ business units: planning, information requests, walkthroughs, testing of control design versus operating effectiveness, and deliverables; managed multiple concurrent engagements and deadlines.
- **Drove consent-order remediation:** communicated findings to business owners, tracked open actions and follow-ups through closure, escalated when needed, and authored issue-closure evidence packages accepted by quality assurance and external regulators.
- **Reviewed evidence for completeness, accuracy and consistency** before sign-off; challenged gaps; maintained auditable records of decisions and approvals; reported themes and systemic risks to executives and the Board Audit Committee.
- Improved readiness with a **control library and standard review templates**; built an AI review assistant that checks workpapers against standards (~35% faster); coached 8+ auditors.

Risk Control Manager, Treasury & CIO — JPMorgan Chase

Mar 2019 – Jun 2021

First-Line Controls & Resolution and Recovery Planning | Jersey City, NJ

- **Regulatory engagement management:** ran Resolution & Recovery Planning across 50+ stakeholders in five functions, none reporting to him, coordinating information requests, reviews and executive approvals into Federal Reserve and FDIC submissions.
- Owned the first-line control framework for Treasury and CIO capital activities; led CCAR forecast validation over a **\$2.6T** balance sheet; automated reconciliations cut manual review ~40%.

Capital Controller, Basel Measurement & Analytics — JPMorgan Chase

Sep 2017 – Feb 2019

Brooklyn, NY • preceded by Program Manager, CIB Resolution & Recovery Planning (2015–2017)

Owned Basel III RWA and capital adequacy reporting for a **\$50B** book; identified **\$180M** in capital optimisation. As Program Manager, planned and managed CIB's resolution-planning program as liaison across businesses and control functions.

Bank Examiner, Bureau of Bank Regulation — Florida Office of Financial Regulation

Apr 2011 – Mar 2012

West Palm Beach, FL • between: AVP, Global Legal Entity Management, Citi (2012–2015): 500+ data sources into governed master data, filings at 99.8% accuracy

Worked the examiner side of the exam: safety-and-soundness examinations of state-chartered banks jointly with the FDIC and the Federal Reserve Bank of Atlanta; prepared information requests, tested management's responses and evidence, and presented findings and required corrective actions to boards.
