PROFILE

Former JPMorgan Chase **Program Manager in the Commercial & Investment Bank** and first-line **Risk Control Manager** who worked as the **business liaison between the business managers and the control functions**: translating business priorities into control actions and back, and keeping business heads ahead of audit, regulatory and compliance deliverables. The program management is directly in line with this role: planned and ran cross-functional work streams across **50+ stakeholders** in Legal & Compliance, Controllers/Finance, Treasury, Operations and Technology; built executive **presentations, reporting and dashboards** in Excel and PowerPoint; identified business risks and drove mitigating controls to closure. Then five years as a Vice President in Citi Internal Audit, presenting to executives and the Board Audit Committee. MBA in Financial Mathematics.

SELECTED RESULTS

50+	Stakeholders across CIB businesses and control functions coordinated into one program and regulator deliverables, to fixed deadlines	<i>JPMorgan Chase</i>
\$180M	Capital optimisation identified and presented to the CFO as a decision-ready analysis	<i>JPMorgan Chase</i>
~40%	Less manual effort after automating reconciliations: simplified a recurring business process	<i>JPMorgan Chase</i>
15+	Business units whose audit and regulatory action plans he drove to closure, with executive and Board reporting	<i>Citi</i>

EXPERIENCE

Vice President, Audit Manager — Citi

Jul 2021 – Apr 2026

Internal Audit, Cross-Enterprise Program & Change Management | New York, NY

- Worked alongside business managers and COOs across **15+ business units**: agreed action plans, tracked audit, regulatory and compliance deliverables, and drove them to closure.
- Built executive and **Board Audit Committee presentations** that organised complex findings into a clear storyline and decision; answered ad-hoc executive requests quickly.
- Led consent-order remediation with closure evidence accepted by regulators; built an AI tool that cut review cycle time ~35%; coached 8+ auditors.

Risk Control Manager, Treasury & CIO — JPMorgan Chase

Mar 2019 – Jun 2021

First-Line Controls, Business Liaison & Resolution and Recovery Planning | Jersey City, NJ

- **Business controls liaison**: partnered with business managers to identify key business risks on the platform and drive mitigating controls; supported audit, regulatory and compliance deliverables and action plans within the **Risk Control Self-Assessment** framework.
- **Program management**: ran Resolution & Recovery Planning across 50+ stakeholders in five functions, none reporting to him — work-stream plans, status reporting, executive materials and Federal Reserve and FDIC submissions on statutory deadlines.
- Led CCAR forecast validation over a **\$2.6T** balance sheet with Planning & Analysis and Controllers; automated reconciliations to cut manual review ~40%.

Capital Controller, Basel Measurement & Analytics — JPMorgan Chase

Sep 2017 – Feb 2019

Brooklyn, NY

Owned Basel III RWA and capital-adequacy reporting across a **\$50B** book of equities, fixed income and derivatives; analysis surfaced **\$180M** in capital optimisation for CFO decision support.

Program Manager, CIB Resolution & Recovery Planning — JPMorgan Chase

2015 – 2017

Commercial & Investment Bank

Planned and managed CIB's resolution-planning program as liaison between the business, Legal, Finance and Operations: work-stream plans, deliverables, stakeholder communications and executive updates.

Assistant Vice President, Global Legal Entity Management — Citi

2012 – 2015

Office of the Chief Accounting Officer, Tampa, FL • earlier: Bank Examiner, Florida Office of Financial Regulation (2011–12); Senior Business Analyst, Royal Bank of Scotland, Dubai (2008–09)

Consolidated **500+ data sources** into governed master data and built the reporting on top; automated regulatory filings at **99.8%** accuracy.
